

# Capricon 38 Critter Crunch!

Sunday 18-Feb-2018  
@ 10am

Think "Robot Wars". A Critter Crunch is a robotic dual...  
It's all about torque, traction, and maneuvering action!

"Mad scientists" (you) drive battle hardened robots.  
Your mission – **destroy your rival!**

Bouts are **double elimination**, lasting 3 minutes.  
Robots weighing up to **3lbs** may enter!  
3-minute free-for-all at the end.  
**Time for Payback!**

**Arrive early to do combat ...** 30 robots will compete!  
Robot check-in is at 9:30 am.

Don't have a robot? No problem! Bid on (rent) the "driving rights" of up to 30 robots ...  
Many are past champions. Bidding starts at \$1. (Cheap!)  
The deeper your wallet, the more pain you may inflict!  
**(Several robots FREE to drive!)**

Proceeds donated to  
Capricon's designated charity

**Bizarre Prizes** awarded!

**CC SWAG** for all!
